Firmware update SM15K

Version: SM15000_H0_P0151

The *previous* version was SM15000_H0_P0150

How to update your SM15K?

Go to the product manual and follow the instructions on pages 24 and 25, chapter 7.4.

Need to upgrade first?

Attention! Check if the current firmware version is P0109 or older (lower than P0109).

If so, upgrade the unit first. The upgrade is firmware version: P0119.
After upgrading from P0109 to P0119 you can proceed with the P0151 update.

Release note

For an overview of all the changes, see the firmware release note.
